You are permitted to use resources; however, ALL of these MUST be cited appropriately in the text and referenced at the end of your essay. You do not need to provide a full bibliographic citation, just author, title (or name of publication), and weblink (standard reference works such as dictionaries may be excluded).

(3) Alle Ausführungen, die andere Quellen im Wortlaut oder dem Sinn nach entnommen wurden, sind deutlich gekennzeichnet und die Quellen vollständig am Ende des Essays aufgelistet. (4) Mir ist bekannt, dass eine Zuwiderhandlung ein Täuschungsversuch ist und zum Nichtbestehen der Prüfung führt.*

- You have a maximum of **120** minutes (plus **10 minutes for uploading**) to complete your essay, though if you finish early you can upload and leave before the end.

- Before uploading your essay writing file, make sure your name, student number, and word count are at the top of your text.
